

Novus B40

Professional Heavy Duty Stapler

The Novus B40 Heavy Duty stapler is designed for high-volume stapling of up to 100 sheets with minimal effort. It features an anti-blocking system with a dual staple guide that prevents jams and a bypass system for using longer staples with fewer sheets. This premium high capacity stapler is German engineered and works best when paired with Novus 23-gauge premium staples.

Features | Benefits

- Anti Blocking System prevents staple jams
- Metal internal components increases performance and durability
- Dual staple guide provides even stapling pressure for superior performance
- Adjustable depth guide for repetitive stapling accuracy
- Bypass system prevents overlap of staple legs when stapling smaller quantities
- Heavy-duty base provides support and durability for extended use
- Quick and easy top loading of staples
- German engineered for quality and durability

Anti-Blocking System prevents jams and the hassle of stuck documents.

Bypass system prevents staple legs from overlapping on small stacks.

25 Year Warranty

Built for long-lasting durability, Novus Heavy Duty Staplers are designed to easily staple large stacks of documents with minimal effort.

Adjustable depth guide keeps your staples in just the right spot with every stack.

The wide base provides stability and includes rubber feet for non-slip stapling.

For the best performance, use Novus Premium 23 gauge staples.
